GLASGOW ACADEMY

Summer Cricket Coaching Courses 2008

The Glasgow Academy is running coaching courses during the Summer holidays for any young and enthusiastic cricketer. The courses will be organised and delivered by Mr Vedam Hariharan who is the cricket professional with the Academy during the summer and The Head coach at The Australian Sports Gateway's Cricket Academy in Brisbane.

The courses will take place at The Glasgow Academy. Several facilities will be used to provide the best possible environment for learning and developing cricket skills and knowledge. This will include our sports hall, which offers four high quality net areas and the option of splitting into three large open working areas, a smaller gym which provides an ideal venue for more intense technical work in small groups and a large astro-turf area.

The aim of the courses is to provide an exciting environment to learn, enjoy and develop cricketing skills under expert tuition. Boys and girls from all local schools are welcome to attend these courses. Also, both novice and experienced cricketers will find the courses equally valuable. All specialist equipment will be provided to use on the courses. The only requirement will be to wear appropriate cricket/leisure clothing and non-marking indoor trainers.

There are eight different courses, so hopefully there will be an opportunity for all those who want to attend to find courses at suitable times.
